**Summer Healing Harp Concert  
at St. Ann Parish**

Don't miss this hour of VERY SPECIAL HARP MUSIC on **Sunday, August 25<sup>th</sup>**, at 3:00p.m! Theologian and medical harpist, Dr. Diane Schneider, soothes your spirit and lifts

your heart with inspirational, Celtic, classical, and spiritual folk songs.

Dr. Diane, a specialist in Vibration Medicine, will give some interesting history of the harp, and reflect upon the Scriptural messages in many of the songs. She will tell some amazing stories of how her work at Mayo Clinic and other hospitals for the last 24 years has led to healing for thousands of people. [www.harpofofhope.com](http://www.harpofofhope.com)

Diane served patients at Mayo Clinic for 9 years while conducting research on the healing effects of harp vibrations upon the human body. She has a Ph.D. in Philosophical Theology from St. Michael's University/Trinity College, Toronto School of Theology. Close to her heart is pro-life work, and assisting people at end of life.

Dr. Diane tours in the US and Canada to provide her services free to prisons and psychiatric facilities. A free-will offering will be requested to support her work. Her therapeutic harp USB sticks and CD's will be available.

We encourage you especially to bring friends and family who are under stress, anxious, or struggling with medical issues. The proven effects of harp therapy include lowering blood pressure, stabilizing atrial fib, calming anxiety and agitation, and improving sleep and digestion.
